

We are happy to be approved to reopen our training classes on June 1, 2020!

Please read the following new rules for attending class.

We want everyone to be safe and have a great experience!

We will observe a no-contact policy -- dog/dog, person/dog, person/person.

- Everyone will park in the rear of the building as in the past.
- Per our previous policy — if you, or your dog, do not feel well please stay home and email your instructor.
- Masks are mandatory for students and instructors while in our facility.
- Please wait in the parking lot with your dog and bring the minimum gear needed for class into the building (face mask, 6' leash, mat, treats, clicker, water bottle/dish for you and your dog).
- We will stagger the start times of the classes - i.e, 6pm classes will now start at either 5:50pm or 6:05pm. Your specific class email will advise you of the time.
- One person/one dog teams only allowed in class — sorry, no children or friend/spouse/partners can observe during this phase.
- Your Instructor will open the door and invite you to come in via single file with 6' distance between students to your training ring.
- Once your class is in the building the back door will be locked. Plan your commute time appropriately — late arrivals will not be able to enter.
- Class size is limited to make certain we provide 12'-14' between dog/handler teams and instructors.
- Make certain to maintain at least a 6' social distance at all times when you are in our facility.
- There will be a dispenser of hand sanitizer near each ring and wipes in various locations. Normal cleanup supplies will be available for doggie messes as in the past.
- If you need to pay for class do so as you normally have in the past.
- Tables, chairs, equipment will be sprayed with disinfectant between each class.
- Any equipment used for class will be handled ONLY by an instructor.
- At the end of class your instructor will supervise leaving the building via the front door. Follow the sidewalk around the building to your car in the back parking lot.

Please be patient and flexible, this is TOUGH on everyone and we are ALL trying to be safe while maintaining our ability to hold classes for you and your dog.

We have attached a waiver that must be printed out, signed and brought to class the first night you return to classes.
